Elections are always at the April meeting, this year it's April 12, 2021.

When you are out riding and notice an area where we could use more signs or some brushing done please make a note of it and pass it along to one of the club officers. We do have some issues with ATV trail signs confusing snowmobilers on which way to go. Some of our trails are snowmobile trails in the winter and ATV trails in the summer, which is why there is dual signage in some places and it gets confusing. A past practice was to put garbage bags over the ATV signage during snowmobile season, your suggestions will be considered.

We've decided to put our regular monthly meetings on Facebook Live starting next fall. Hopefully this will help more members be active and have input in their club.

At the February meeting there was a lot of discussion about riding off trail riding/Trespassing. Our general consensus is that if you see someone off trail, take a picture of them if at all possible and turn it over to the DNR or the Sherriff or contact your club. Law changes at the state level are being discussed to make prosecuting trespassers easier, with increased penalties. The media is generating a lot of negative publicity about our sport and Trespassing.

AWSC website www.awsc.org has loads of info, including your member # if you need it!!

Even though change is difficult, we are always open to new ideas and suggestions. So please participate in YOUR club. Please attend meetings, give us a call, or e-mail to give your input on any important issues.

Next Meeting: Monday, April 12th, 2021, at 7 p.m. at the Sno-Devils Building in Elcho.
