JUNE 2023 NEWSLETTER

Remember your memberships expire June 30th. You can not get trail passes until your membership is renewed. As in the past please do NOT renew until August, but no latter than October 31st, otherwise there is a late fee. New members are welcome to join anytime.

Business memberships were discussed at the April board of directors meeting and upgrading of equipment. As nearby clubs have business membership dues of \$200 per year and up, we have raised Business Memberships to \$200.

We don't have a lot of activities during the summer, but catching up on maintenance is on top of our list this year. We are on the lookout for steel roofing material to re-roof one of our first buildings. Do you have or know anyone that has salvageable steel roofing(hail damage) for free or a large discount? Also if we find affordable steel roofing, we'll probably need some qualified help with this project. As for the wiring we were looking for the cost is prohibitive unless we can find some wire salvaged from a job. We need a total of 500 feet of 4 wire bundle of 0 gauge.

We have 10 rooms reserved at the Four Seasons Resort in Pembine, WI. for our annual club ride. Right now we have about 5 of them filled. Room rate is \$129 per night with a Fri and Sat night stay. We've been there before and its an excellent place to stay with good trails in the area to ride on Sat. We leave on Friday, February 2nd at 8 a.m. and return on Sunday February 4th. More details in the fall. If interested please call 715-367-1741 or e-mail snodevilsclub@gmail.com. Lets fill all the rooms for this ride! This is a block of rooms and a special price that will expire.

We always are in need of volunteers for various trail work, weekdays and weekends. We need to update our list of who may be available and on what days of the week. If available to help, please email President Fred Schauer at snodevilsclub@gmail.com or call Dennis Stenz at 920-960-0194. Please provide your contact information (especially your phone #) and what are the days you are most likely to be available if we need your help.

This is **YOUR** Club, please participate in any way that you can. Constructive suggestions/ideas are always welcome.

Next Meeting: Always Second Monday of the Month: September through May, 7 p.m. at the Sno-Devils Building in Elcho.
