Dear Members,

Undoubtedly this has been a very disappointing season thus far, especially since the Sno-Devils trail preparation had trails the better prepared than ever this year. Work includes, trail widening, Brushing, Mowing, stone and rock removal and Culvert & Bridge replacements. As of this newsletter, the club's directors and volunteers have contributed a total of 946 man hours of trail work. While 70 of those are for panning trails, but the rest is for the work listed above. But consider that in a typical year, you would have to add about another 900 hours of grooming man hours! This is why we continue to ask for additional volunteers and why directors can and do reach a point of burn-out.

While we have seen these weather conditions before, it is taking an even bigger toll on all the businesses that depend on snowmobiling to get them through the winter season. We Need you to help support our Club's Business Members so we added them to our newsletters so you know who are the key businesses that are supporting our club and request you to patronize and support them.

Thanks to everyone who purchased Calendars again this year. They sold out quickly. Sorry for those who could not purchase one. Get your order in for them as early as possible next year.

As a result of the current and forecasted snow conditions, we have decided to cancel the club ride to Pembine.

We again are requesting all members to get us your email addresses to us to allow us to send your newsletter via email. Each month we are still spending about \$120.00 on postage alone. Add the cost of envelopes, copies and the hours it takes to print and stuff envelopes. Please remember, the officers and directors are all volunteers and we would like to spend a little more of our time enjoy riding the trails we worked so hard to have ready and maintain for every snowmobiler to enjoy.

The Spanky Ride - Gun Raffle tickets are still available for purchase. Steve at Tattle Tales is the club's leader on this raffle where you can get ticket's, or any of the businesses with and Astrik* by there name, and at Norm's Hollow, Boiling Springs & Boondock's. Drawing is on Feb 10th at 4 PM at Tattle Tales.

Lily Snowbirds is hosting a fundraiser for the AWSC "KAOS" Groups (Kids & Adults On Snowmobiles) at their club house on Feb 17th. See below flyer for more information. These Kids are the future of snowmobiling and potential leaders of clubs and we need to support them.

The 150 tickets and posters for the April 27th Cash Raffle have arrived and will be distributed shortly. See poster below. If you would like to purchase tickets, contact anyone of the officers. You can mail a check to the club's address above and we will mail you your ticket.
