JULY 2023 NEWSLETTER

Our annual calendar raffle is not at the printers yet. We've been waiting for our advertisers to get their info to us. Next week we'll go with what we have and hope to have it available before Labor Day weekend. Thanks to those who returned their ads in a timely manner.

We don't have a lot of activities during the summer, but catching up on maintenance is on top of our list this year. We are on the lookout for steel roofing material to re-roof one of our first buildings. Do you have or know anyone that has salvageable steel roofing(hail damage) for free or a large discount? Also if we find affordable steel roofing, we'll probably need some qualified help with this project. As for the wiring we were looking for the cost is prohibitive unless we can find some wire salvaged from a job. We need a total of 500 feet of 4 wire bundle of 0 gauge.

We are negotiating the terms of our block of 10 rooms at Pembine. There were some unfavorable requirements in their contract, so please don't make any reservations yet. Hopefully by August we'll have it all worked out.

We always are in need of volunteers for various trail work, weekdays and weekends. We need to update our list of who may be available and on what days of the week. If available to help, please email President Fred Schauer at snodevilsclub@gmail.com or call Dennis Stenz at 920-960-0194. Please provide your contact information (especially your phone #) and what are the days you are most likely to be available if we need your help.

This is **YOUR** Club, please participate in any way that you can. Constructive suggestions/ideas are always welcome.

Elections this year will be at the October meeting. Remember always 2nd Monday of the month. If you want to serve on the board of directors and be very active come to the meeting and have someone nominate you. We are always looking for fresh ideas.

Next Meeting: Always Second Monday of the Month: September through May, 7 p.m. at the Sno-Devils Building in Elcho.
